# RETOUCHING

Complementary retouching is included at no additional charge with the purchase of a package. Basic retouching includes:

- Acne & blemishes
- Small stray hairs
- Brightening teeth
- Glasses glare

## The following will incur a \$25 fee per request:

*Charge per image*

- Braces removal
- Facial slimming
- Swapping expressions (from one pose to another)

**PLEASE NOTE:** *Beards and 5 o'clock shadows CANNOT be retouched.*

## ~ Photo Session Tips ~

- Avoid changing your skincare routine for 2 weeks prior to the session to prevent new breakouts or irritation.
- Use makeup and hair products you are familiar with. Avoid getting a haircut the day before. It often takes people a few days to get used to styling a new cut.
- "Natural" makeup shows up best- minimal, nude colors that accent your natural glow, or makeup in a style you are used to seeing yourself wear.
- Keep in mind large false lashes can make eyes look closed or smaller. The bolder and bigger, the more likely they are to cast a shadow over your eyes.
- Groom facial hair at least 1-2 days prior to your appointment. A clean shaven face is requested, or at least a trimmed up beard.
- Have clean or painted finger nails, they will show in a few shots.
- **Remember to bring your class ring!** It will show up in a few shots with the cap n` gown.

**IMPORTANT INFORMATION REGARDING  
SENIOR PICTURES  
Please read fully.**

**Senior pictures will begin on June 12, 2026.** Please be advised there are three separate deadlines to keep in mind: the annual sale expiration date, the yearbook deadline, and the last day to order pictures.

**Our Annual Sale ends on 6/15/26, orders must be placed by this date.**

The date of your senior pictures, or if you have or have not scheduled an appointment has no connection or impact on this deadline. Purchase the sale now, schedule a session sometime before the yearbook deadline.

**The yearbook deadline is the last day to take senior pictures in order for your senior to be in the school's yearbook.**

Senior pictures can still be taken after the deadline but they will not be included in the yearbook. This date is set by the school and will be announced once school starts. The yearbook deadlines are usually around the end of January or February. It is strongly encouraged to take senior pictures during the summer when appointments are more available and students are less busy. Appointments during September are more limited due to regular school pictures, and appointments book very quickly near the deadline.

**\* Even if you'd rather order pictures at a later time, seniors can still take pictures during the summer.**

**\* Even if you do not plan on purchasing a package your senior still needs to be photographed for the yearbook and is welcomed to do it during the summer.**

**The last day to order senior pictures is April 1st, 2027.**

You have from the day your senior takes their formal and cap 'n gown pictures (unless you are taking advantage of the sale) until April 1st to order a package for senior pictures.

\* Receipt of this letter does not constitute acknowledgment of your status as a Senior; information is based on 2024-25 junior school data.\*
