Dear 2022 Senior,

Congratulations on making it through high school! We are looking forward to taking care of your senior portraits this year.

The senior session you have just participated in includes your official yearbook portrait, which requires the selection of a formal pose, either drape or tux. This brochure includes information on available packages, retouching, and order forms necessary to complete your senior portrait needs with or without a purchase. Please note that regardless of purchase, you are required to choose a formal pose to be submitted for your yearbook.
